

BONHAM TAKES DOUBLE HEADER FROM ARDMORE

Maloney, Yeager, Crowson and Young Fail to Hold Texans in Opener Sunday; Paris Is Beaten, Too

I don't care how the robin sings
Or how the rooster flaps his wings.
I don't care how the sun may shine,
I can't cheer up, for 'tis mine.
All nature may be glad and gay,
But I can never feel that way.
When the home team drops two games.

Red Snapp of Paris picked the Bonham club to be a strong contender for the pennant this year. And after the game of Sunday, it would not be amiss to say that Jimmy Maloney shouted "Amen" from the clubhouse after the game in the Texas city.

A double-header victory! Two of them in a row! On the same day. On Sunday, too! That was too much. The first grief that the dispatches brought was that Bonham had copped the first game to the tune of 9 to 1; then it came that they took the second 13 to 3.

Despite the result of the first game Ardmore came through without a single error, and scored on one of five hits. Bonham stacked up nine runs on 16 hits with three errors. Crowson struck out seven men, too. That's evidence that the Producers played a pretty good game of ball.

In the second game it was about the same; the Producers getting three runs off nine hits with only one error; while Bonham lost only five of eighteen hits, with two errors. But that pitching! Five hits and five runs off Yeager in two innings; and 13 hits, 8 runs off Maloney in four innings. That's terrible!

MRS. FRANK WILKIE, of Syracuse, N. Y., formerly matron at the State Reformatory at Industry, N. Y., who says she is delighted with Tanlac since it restored her health after she suffered eight years.

"This is the first time in eight years that I have been free from stomach trouble and it is all because of the wonderful good Tanlac has done me," said Mrs. Frank Wilkie, 229 Cedar St., Syracuse. Mrs. Wilkie formerly resided in Buffalo and for two years was matron of the State Reformatory at Industry, N. Y.

"I was eating scarcely enough to keep alive," she declared. "For I would rather not touch a bite than suffer the misery I knew would follow. Even sweet milk disagreed with me. I was sick in bed for two and three days at a time, and gas on my stomach made such awful pressure on my heart it almost cut off my breath. I had horrible dreams at night and in the morning was all tired out."

"Well, the longest day I live I will praise Tanlac, for my improvement has been simply remarkable. I have no more heartburn, my appetite is wonderful, I can eat most anything I want, and my sleep is sound and restful. I am thoroughly delighted with Tanlac. It is wonderful!"

Tanlac is sold by all good druggists.
